

## **Pikes Peak Gay & Lesbian Community Center**

### **Community-Based Programs Project: Group/Activity Criteria**

#### **Groups and/or activities sponsored through the Center's Community-Based Programs Project should meet the following criteria:**

- q Fit within a pre-designated program area:
  - o Community Health
  - o Community Interest
  - o Men
  - o Transgender
  - o Women
  
- q Promote a sense of community among the specified participants (target population), and promote the health and well-being of LGBT people.
  
- q Have a regularly occurring schedule for activities, including "in-person" meetings. (Groups with regular meeting schedules have a higher success rate, are easier to promote, and provide easy access for participants.)
  
- q Have a website, group e-mail, or other means of electronic communication. **(OPTIONAL)**
  
- q Have a name that accurately describes the group's goals.
  
- q Have a pre-designated facilitator who will:
  - o Participate in facilitator meetings with Pride Center volunteers and staff (at least one per year).
  - o Coordinate communication among group or activity participants
  - o Work with Program Director (Dara Hoffman) to coordinate outreach, advertising, and funding.
  - o Manage website/group/electronic communication (if needed)
  - o Have an email address and/or phone number

#### **Pikes Peak Gay & Lesbian Community Center will provide following:**

- q Advertising/Outreach
- q Space for meetings/activities
- q Website Group/Electronic Communication assistance and development
- q Email address for facilitator
- q Staff assistance
- q Training for group/activity facilitators
- q Additional funding for food/supplies as needed
- q Assistance in further developing the group in terms of content and participation
